

Are **SERVICES** provided away from our Indoor training facility, such as..

Playing Lessons

All the other stuff a golfer can't learn or experience at an indoor facility to (a) help new golfers become confident enough to play by themselves, and (b) improve scoring outcomes for experienced golfers.

- Pupuke Golf Course
- Wainui Golf Course
- Redwood Golf Course
- Waitakere Golf Course
- Windross Golf Course

Practice Programs

Personalized self practice program creation/delivery.

Written template outlining what, when, how much, and why to do each activity/drill/skill area, video demonstration supporting each activity.

Measurable and Flexible to fit your needs i.e. can be executed at home and/or at a golf facility.

Form Development

Maximize your self practice experiences and fast track your performance targets realization by having in-frequent 'swing form check ins' with your coach.

Receive feedback, strategies and solutions on your provided swing form via a variety of 'easy to understand' video analysis, presentations and video calls.

Refer to our webpage for how this all works.

Golf Club Recommendations

A junior golfer service resulting in parents receiving a report containing:

- Appropriate size/specifications
- Factoring in growth allowance
- Physical/Golf Skills
- Minimum/Maximum units
- Brand/Models to consider
- Where to buy from
- Parents budget consideration

How **TIME** is tracked and reported?

We use a time tracking app which logs what, when and how long we do things for our customers remotely whereby upon request, we can provide a PDF report to our customers. This mixed with our online booking software ensures both parties are on the same page re time stamps.
